RE: CY 2021 Annual Reports for Line Inspection and Safety
City of College Station
Project No. – 52938

To Whom It May Concern,

This submittal is in response to the notification received on January 18, 2023 regarding the City of College Station not filing its *CY2021 Annual Report for Line Inspection and Safety*. Upon further review, the City of College Station did file the report online via the PUC Interchange Filer on March 31, 2022. College Station did however file it under Project 50596 rather than Project 52938. The report is being resubmitted as requested by the PUC within the allotted 14-day timeframe from the date of notification under Project 52938 to cure this deficiency. If there are any additional questions or concerns, please contact Stacy Lee at sengelmann@cstx.gov.

Sincerely,

Stacy Lee
